1959  
Clairvoyant  
St. Clair High School  
St. Clair, Michigan

Upon the publication of our Clairvoyant for the 1958-1959 school year, we, the editors and staff, would like to thank the many people who contributed unselfishly of both their time and talents to insure the success of this book. In the compilation and publication of our yearbook, a great deal of research and effort was made by our advisors, our staff, and all the students who supported the book. It has afforded us a great deal of pleasure to do the Clairvoyant this year and we sincerely hope that it will give you the same sense of satisfaction to read this book and treasure it as it has given us to have had a part in presenting it to you.

## Dedication

In fond memory the yearbook staff dedicated this book to Mr. Boris Paajanen. He was born in Marquette, Michigan and attended Marquette High School. Mr. Paajanen graduated from Northern Michigan College and earned his Master's degree at the University of Michigan.

Mr. Paajanen taught school for 27 years including Charlotte and Lake Orion, Michigan and served as principal at Ebben in the Upper Peninsula. He taught at St. Clair for 11 years teaching classes in Industrial Arts, Science, Driver Training, and Drafting. He also coached various sports including Golf, Baseball, and Track.

Mr. Paajanen earned the respect of the students, staff members, and the community not only through his excellent work as a teacher but through his contributions in exerting a steady influence on those around him.

# Last Will and Testament Of The Class of '59

We of the Senior Class of 1959, being of sound health and in full possession of all our mental faculties, in spite of doubts expressed from time to time on that subject by our revered teachers and elders, do hereby make, devise, and declare this to be our last will and testament, hereby revoking and rendering null and void all other wills and testaments heretofore made, devised, and declared before us.

To the Juniors we bequeath our front row seats in assembly, trusting that their conduct in occupying the same will be modeled on our irreproachable behavior.

To the Sophomores we bequeath such snare in the money-making activities of the high school as they can finagle out of the upper classmen and the Administration.
